DOCKING

The docking plan will be released next week; thank you for your cooperation and patience! If you have not already done so, please fill out this [FORM](#) with your location prior to arriving at the dock, so that we may have our team of professionals come to your boat and apply the regatta required hull decals. As a quick reminder, there is to be no gear, or sails of any kind left on the city owned or StFYC managed docks. Any gear stored on the docks will be removed.
